Child Safety Policy - Ronet

Last Updated: 11-02-2025

At **Ronet**, we are committed to providing a safe and secure platform for all users, especially children. We strictly comply with **Google Play's Child Safety Standards** and applicable child protection laws.

Our Commitment to Child Safety

1. **Zero Tolerance for Child Exploitation**
   - We have strict policies against child sexual abuse and exploitation (CSAE). Any violations will result in immediate action, including reporting to law enforcement.
2. **User Feedback & Reporting Mechanism**
   - Users can report inappropriate content or behavior directly through our in-app reporting system.
   - Reports are reviewed promptly, and necessary action is taken.
3. **Detection & Removal of CSAM**
   - We actively monitor and remove **Child Sexual Abuse Material (CSAM)** using AI moderation and manual review.
   - We work with legal authorities and child protection organizations to prevent abuse.
4. **Compliance with Child Safety Laws**
   - Ronet follows **local and international child protection laws**, including COPPA, GDPR-K, and other relevant regulations.
5. **Dedicated Child Safety Contact**
   - For concerns related to child safety, please contact us at: info@ronet.space
